Community Christmas Lunch

Thank you all for your support and interest in the free Community Christmas Lunch that MHS will be hosting on 11.12.18 . All places have now been allocated so unfortunately there are no spaces left, but we are very fortunate to be able to give something back to the community which so passionately supports us as a school.

Wellbeing Workshop for Families.

On 27.11.18 Professor Banjeree will be running a workshop at Milford Haven School on the topic of building resilience.

The workshop will run from 6-7pm– All welcome.

Year 9 PSE day: Year 9 were recently off timetable for a day to take part in a PSE day. All pupils attended workshops delivered by organisations including the Police, Hafan Cymru and the Youth Service. Thank you to Year 9 students, who all displayed excellent behaviour on the day. Many thanks to the people who gave up their time to come in to work with us and deliver sessions, you all helped to make the event such a huge success!

The Big Bang– STEM event

Well done to the 30 pupils from years 8&9, who this week have attended a STEM event in the Bridge Innovation Centre called 'The Big Bang'.

This event is run by Engineering Education Scheme Wales (EESW) and allows pupils hands on experience in different areas of STEM. The pupils were able to attend workshops on Engineering for life, Energy quest, Jaguar 2d and Particle Physics.

Thank you to everyone that supported this event, and to the pupils for representing the school and themselves. so positively.

PATCH collection

Last year at the request of several students we held a whole school collection for PATCH on the run up to Christmas. This was a huge success, and so we have decided to run a collection again this year.

Between Monday December 3rd and Friday December 7th pupils and staff will be invited to contribute food donations intended for our local food bank PATCH. As many of you will be aware there are lots of local people who rely on food banks, especially during the holiday season, so any donations you are able to make would be gratefully received.

Thank you for your support.

Headteacher's Newsletter 23.11.18

We are extremely proud to say that last week Milford Haven School raised

£3368

for Children in Need. This is an incredible amount of money, and as always we have been overwhelmed by the generosity of both the school and the community. We take pride in being a school that proactively supports national charities and local causes, and this is another example of what great things can be achieved when we all work together.

VALERO MUSIC EVENT

Last Saturday a large group of MHS pupils attended the Valero Music Festival, and we are extremely proud of each and every one of you. The performances were of an extremely high standard, and the amount of effort and preparation that went into the day was evident.

Milford Haven School was very well represented at the competition, 30 pupils attended, and some took part in more than one competition on different instruments.

Well done to everyone that competed, and a special congratulations to Rhys Evans and Dylan Sanders Swales who won their individual 'open' competitions and played in the Evening Spotlight Concert, receiving a cup.

Thanks goes as always to our amazing peripatetic service, and to Matt Roberts who coached the Folk Band to a win. Diolch

Well done to all of the girls that competed this week in the Pembrokeshire Schools' Football Tournament.

It was fantastic to see so many of you involved in the tournament, thank you for representing the school to such a high standard.

We are really proud of you all!

INSET DAYS

Monday 26.11.18

&
