Community Christmas Lunch

Thank you all for your support and interest in the free Community Christmas Lunch that MHS will be hosting on 11.12.18 . All places have now been allocated, so unfortunately there are no spaces left, but we are very pleased to be able to give something back to the community which so passionately supports us as a school.

INSET DAY

3.12.18

Thank you to everyone that attended the drop in sessions with the Head teacher yesterday. This was a fantastic opportunity for parents and carers, as well as members of the community interested in school life, to come and informally chat with the Head.

The feedback that we have received is that people would like to have this opportunity again, so we will definitely offer these drop in sessions again in the near future. Diolch

Resilience Workshop

Thank you to everyone that attended the workshop on resilience this week, presented by Professor Banerjee. We are extremely lucky to be able to share his expertise with the local community, and hope that the information covered was helpful for your families.

We look forward to hosting similar events in the future.

PATCH collection

Last year at the request of several students we held a whole school collection for PATCH on the run up to Christmas. This was a huge success, and so we have decided to run a collection again this year.

Next week, between Monday December 3rd and Friday December 7th pupils and staff will be invited to contribute food donations intended for our local food bank PATCH. As many of you will be aware there are lots of local people who rely on food banks, especially during the holiday season, so any donations you are able to make would be gratefully received. Diolch.

Headteacher's Newsletter 30.11.18

Young Carers @ MHS...

Monday December 10th we will be visited by Action for Children to hold our last young carer drop in session before the Christmas holidays. Miranda, the young carer support worker, will be based in the waiting room over lunchtime so anyone is welcome to pop in and see her for a chat and support, as well as details of the holiday activities being run.

Today is Carers Rights Day. Throughout the year we run many activities to support our young carers, from free emergency first aid training to networking trips and events to meet other young carers. This week was a chance to highlight the support available should any young carers here at MHS ever need an extra helping hand. Diolch.

Rugby fever at MHS!

Last week was a busy and a very enjoyable week of rugby here at MHS.

The Year 8s and Year 9/10 mixed team played against Bro Gwaun on Wednesday, with both teams performing extremely well.

Thursday brought the managerial director of the Natal Sharks Academy (Durban, South Africa) to the school, to do a skilled session with a group of Year 11 boys and girls.

And on Friday we took a small army of pupils from Year 7, 8, 11 and sixth form to watch the Scarlets v Ulster game, but not before our Year 7 and 8 played a rugby fixture against Coedcae School in Llanelli. Again, the Year 8 boys played extremely well, with our Year 7s recording a very good victory.

Overall the students behaved well, with a special thanks to sixth form and Y11 pupils who were a credit to the school and extremely positive role models for younger students. Diolch

Well done to all of the girls that competed on Monday in the Pembrokeshire Schools' Football Tournament. In the end the girls finished joint 4th with Greenhill, they gave 100% in every game they played- an excellent effort in very cold conditions!

The team would like to say a special thank you to Miss Planner who gives up alot of her own time to support the team and develop their skills. The girls are very grateful for all of the coaching and advice they have had from Miss Planner, and look forward getting back on the pitch ASAP!
