School Uniform

Milford Haven School is an inclusive environment that believes in having high expectations for uniforms and appearance. School uniform is one way in which we can display the school's identity and values to the community. All students are therefore expected to wear the correct uniform at all times. As a school we believe that uniform is important. Looking smart contributes to a positive ethos. Some uniform expectations are to do with health and safety issues.

We have high expectations of all our pupils which includes personal appearance. School uniform is to put everyone on an equal footing. It needs to be low cost, comfortable, easy to wash, suitable for work and conform to health and safety rules and to create a sense of belonging to the school community.

School uniform plays an important role in establishing the ethos of a school and at Milford Haven School we believe that the uniform policy benefits the school and pupils in a number of ways:

- encourages identity with the school and nurtures the notion of community;
- protects pupils from social pressures to dress in a particular way;
- makes pupils feel equal to their peers in terms of appearance;
- supports discipline and good behaviour;
- instils a sense of pride in the school.

It is not acceptable for pupils to turn up to school in items which are not in line with the School's Uniform Policy. This causes an unnecessary demand on staff time. When pupils fully cooperate with our dress code, our staff can ensure that their time and effort is appropriately spent on creating an effective teaching and learning environment. The contents of this policy has been significantly influenced by our School Council and parents, but it is ultimately the responsibility of the School's Governing Body.
