Why should I do enrichment?

Attending enrichment will help you to improve your attainment.

You can get extra help in your subjects.

You can be stretched a bit more and face a new challenge in subjects that you are already enjoying and succeeding in.

You will learn new skills.

You will make new friends.

You can work with others outside of your year group.

Enrichment builds confidence.

You might discover a new talent.

You can try new things.

You could do something different every term.

You will get to work with different teachers and also interesting visitors.

You can take part in enrichment trips.

Enrichment will broaden your mind.

Enrichment gives you a wide range of skills that employers and universities will be impressed with.

Develop interpersonal skills.

Develop intrapersonal skills.

Broaden your horizons.

**“You don’t have to be
great to start,
but you have to start to be
great!!”**
