Summer 2024/Gwanwyn 2024

Why should I do enrichment?

Attending enrichment will help you to improve your attainment.

You can get extra help in your subjects.

You can be stretched a bit more and face a new challenge in subjects that you are already enjoying and succeeding in.

You will learn new skills.

You will make new friends.

You can work with others outside of your year group.

Enrichment builds confidence.

You might discover a new talent.

You can try new things.

You could do something different every term.

You will get to work with different teachers and also interesting visitors.

You can take part in enrichment trips.

Enrichment will broaden your mind.

Enrichment gives you a wide range of skills that employers and universities will be impressed with.

Develop interpersonal skills.

Develop intrapersonal skills.

Broaden your horizons.

great to start,
but you have to start to be
great!!”**

As you can see from our activity list, numbers are limited and places will be allocated on a first come, first served basis. Once signed up, parents will receive a confirmation email or a message to say the application has been successful. Assume that you have a place unless you are contacted by the school. If an activity does not appear on the form, this means that all places have been taken for this half term. Each half term the registers will refresh and parents can sign up for something else. If pupils would like to continue with the same activity, they may. However, if the activity is oversubscribed, parents and pupils may be asked to choose something else.

Summer 2024/Gwanwyn 2024

What commitment am I making by signing up?

Signing up means that pupils are committed to attend the chosen activity for the full half term. For example, if they have chosen an Art activity, they must attend Art each Friday during that half term. Pupils are not permitted to swap activities without seeking permission from Mr Berry/Miss Reynolds. Pupils that select activities taking place on week 2 only have the opportunity to select another activity during week 1 if they wish.

We have a duty of care to make sure everyone is safe and accounted for at school. As a result, a weekly register will be taken by the providers. If pupils cannot attend a session, the usual attendance procedures apply. This way, we will know where pupils are and that they are safe if they have not attended the planned activity. Parents will need to make their own arrangements for pupils to be collected at 3:00 p.m.

The above activities need to be signed up for by your parents/carers, as this is an additional service we are offering as a school.
