

### **Headteacher's Blog 24.5.19**

We have been enjoying some glorious Pembrokeshire sunshine lately, and I very much hope that the warm weather being predicted continues. With a potential hot spell in mind I would like to remind all parents and carers that students are permitted, during the summer term, to wear shorts. In keeping with our uniform policy, any shorts need to be black tailored shorts- cycling shorts, sports shorts, or shorts that are of an inappropriate length will not be permitted. If your child attends school wearing inappropriate clothing you may be contacted to bring in a change of clothes to school and the usual sanctions will be applied, as per our school uniform policy.

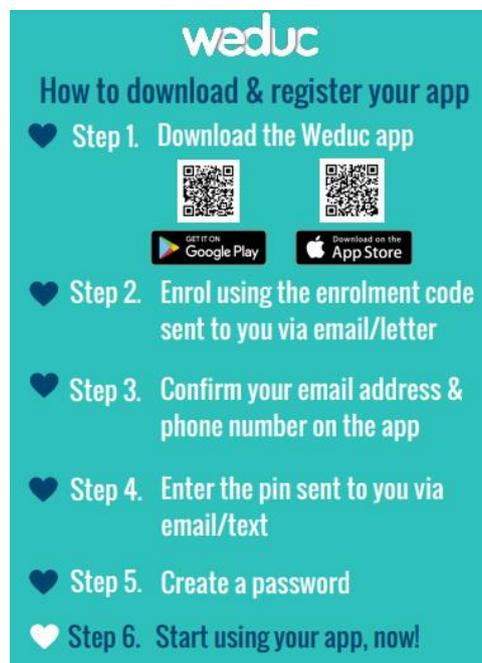

As many of you will remember last summer we planned a Sunset Cinema here at Milford Haven School, but unfortunately it had to be cancelled due to bad weather. We are again in talks with the Torch Theatre and have now applied for a licence to screen *The Greatest Showman* in July. This will be the only sing along screening of the film as part of the Sunset Cinema tour, so we really hope that you will support the school and join us for what promises to be a great night. We are doing our best to plan a spectacular Sunset Cinema event for the community here at school, so keep your eyes peeled online for an announcement if we are able to secure a date.

The Year 11 Leavers assembly was held yesterday. This special assembly marks the end of one chapter for these students, but the start of a very exciting next step in life. We had a fantastic time celebrating 5 years of these pupils being a part of the Milford Haven School family. We have had the privilege to help nurture these students, helping them to learn and grow both academically and personally. It has been an honour to be a part of their journey, and we wish all of you the very best for your futures. My parting words of advice to our year 11 leavers would simply be that the expert in anything was once a beginner, so always keep learning.

We  Year 11

Our annual Year 9 Award Assembly was held on Tuesday, and it was a wonderful celebration of the many achievements Year 9 have accomplished this year. Mrs Wilcox was beaming with pride, and it was wonderful to see so many awards given out to such deserving students. We took lots of photos which have been shared online, and judging by all of the positive comments and interactions on our site we can tell that you are all very proud of these young people- as are we.

In the UK, 57% of the population are active on social media. For us as a school sharing posts, alerts and announcements on social media platforms opens up a new way to engage with parents, as well as an effective channel for sharing quick updates, and media such as videos and images. Providing this window into what goes on at school during the day can prove incredibly valuable to many parents. WEDUC is the app that we now use at Milford Haven School to share alot of this information, so if you haven't downloaded it yet we recommend you do to stay up to date with school life!
