Well done to all the YR7 pupils that abseiled the Great Keep at Pembroke Castle this week. We are very fortunate to be able to offer this opportunity to our students, a special thanks to The Overhang for making this special event possible.

- 26.10.18 MHS Trailathon (KS3 only)
- 26.11.18 INSET DAY
- 3.12.18 INSET DAY

Thank you to all of the parents and carers that attended the YR11 engagement evening 'THE ROAD AHEAD' on Wednesday. If you were unable to make the event you are still able to contact school anytime should you wish to discuss the progress of your child.

All YR11 parents and carers will again be invited into school for a Pupil Progress evening on Thursday November 8th. This is another opportunity to speak to subject staff and the HOY about your child and the progress they are making. Letters to follow with more details.

Thank you to Miranda from Action for Children, who held another young carer drop in session on Monday. Miranda will be back Monday November 5th for another drop in session if any young carers would like to come along. There is a poster on Ms Baker's door with all of the drop in dates between now and Christmas holidays. Diolch

**STOP THE DROP:** We will shortly be starting a litter picking rota for all pupils in KS3. This is part of the STOP THE DROP campaign, and our committed on-going efforts to instil in pupils a pride in their learning environment. We want to educate pupils now and develop skills that will hopefully stay with students throughout life. We strive to make MHS a safe, clean and positive space for pupils and staff, and will be encouraging everyone be an active part of making MHS the best it can be. Diolch
