26th February 2020

Dear Parents/Carers,

The safety of our pupils is the most important thing to us; and the most recent review and update of the 'lockdown' policy that has been accepted by our school Governors. Following direction from the Cabinet Secretary, and with support from the Local Authority, we continue to develop procedures to secure our pupils and staff safety in the event of a serious incident.

We unfortunately live in a world where we have to seriously consider such measures. A school 'Lockdown' is a full or partial closure of the school building and/or site that may be required suddenly in the event of an incident such as extreme winds, refinery emergencies or terrorist threats. We have recently reviewed our procedures for 'lockdown' and I will be leading assemblies with our pupils and staff to go over these. Pupils will also have a PSE lesson to explain the procedure fully. A partial 'lockdown' drill will take place the week beginning Monday 2nd March 2020.

We do not want any pupils or parents/carers to feel alarmed by this; this policy is a preventative measure only in the event of an emergency. I would be grateful if you could stress this to your child in your discussions at home.

May I take this opportunity to thank you for your continued support.

Yours faithfully

Miss J Reynolds
Strategic Lead for Support for Learning
