Open Letter to Milford Haven School Community- Friday March 20th 2020

Dear parents, carers and the whole Milford Haven School family,

It feels like "normal life" has been paused, and none of us know how long it will take to get back to the world we knew before coronavirus.

I would like to take this opportunity to thank everyone at Milford Haven School for their exemplary conduct this week, words cannot express how proud I am of a team that had yet again has gone above and beyond even in these extremely difficult circumstances. Pupils have behaved with a level of maturity and understanding beyond their years, and we as a staff are heartbroken that some pupils may have had their time with us cut short. We are confident though that you will all grow from this experience, and use it to your advantage to go on and succeed in your chosen path. Finally, to the parents and carers that have shared words of encouragement and support with us this week- you will never know what a huge and positive impact you had in helping us stay motivated when sailing it completely in chartered waters.

Please note that although school is cancelled, there is still a lot we can offer each other. Community spirit is not cancelled. Conversations are not cancelled. Learning is not cancelled. Self- care is not cancelled. And most of all, hope is not cancelled.

We advise everyone please continue to follow all advice being given by the government to keep yourselves safe and well. We all have our part to play now, and I am proud to play my part here at Milford Haven School.
