

Welcome back Daring House!

What will be the same?

The school staff and buildings!

All staff are dedicated to providing the very best educational provision possible at this difficult time. You will be in an atmosphere of warmth and care. Although the houses will be in separate towers we remain, and we will proceed, together at this time.

Travel to and from school...

Where possible we would encourage pupils to walk, cycle or come in their own family car.

School buses will drop pupils in the normal place and pupils should then make their way to their own gate. **

Daring Pupils will all arrive at the Thornton entrance.

Drop off and pick up...

Each house will have their own entrance/exit gate for ALL pupils to use:

Daring - PE/Humanities gate

Please note **Daring**, pupils that usually use the Steynton Road entrance will need to use the Thornton Road entrance.

Uniform...

Where possible we would like pupils to be dressed in full school uniform - School polo shirt, school sweatshirt, black trousers and black shoes. Pupils also have the option of our summer uniform of tailored black shorts.

However we understand that our pupils might have grown a little since we last saw them. With that in mind we welcome a suitable alternative. (Please remember no ripped clothing, no mini skirts and black where possible.)

Please change your clothes as soon as you get home.

Groupings & transition...

Every pupil will be in their form group. Most pupils will be with their form tutor. Each house will be together in their own tower. Years 7 & 8 will be in school on Monday or Tuesday and Years 9 & 10 will be in on Thursday or Friday. There will be no mixing of houses - everyone **MUST** remain in their own house tower. Only one pod will use a particular room each day and it will then be thoroughly cleaned afterwards.

Daring - Humanities
Diamond - Maths

Defender - English & Languages
Dragon - Technology

"People should always force themselves to do daring things."

#Bedaring

Social distancing...

It is imperative that you always maintain a 2m gap between yourself and anyone else at all times.

If you wish to wear your own mask, you may. However there is enough space in each classroom for everyone to be socially distant.

Hygiene...

You will be required to sanitise your hands and any belongings that you have at the start and end of your session in school and before & after break time.

If you use the toilet you need to thoroughly wash your hands before returning to class. (You should do this at ALL times anyway!!)

Cleanliness...

There will be a cleaner in each of the towers at all times. This will ensure that all areas will be as safe as possible.

It is vital that every pupil remains in their towers (it will be the same for staff) so that we avoid any cross-contamination that could occur.

Toilets...

Each tower has their own toilets to use.

You will be escorted to the toilets so that you don't get confused and end up in another tower.

It's also important for us to know which toilet you have used as they can be cleaned before the next person uses them.

Please wash your hands after using the toilet!!!

If you need to contact us, email might be easier...
