8th June 2020

Dear Parent/Carer,

I hope you are all keeping safe and well. I wanted to contact you following the announcement made by Kirsty Williams during last week.

Milford Haven School will re-open to groups of pupils on Monday 29th June 2020 and will close for the start of the summer holiday on Friday 24th July 2020. The summer holiday will be for five weeks and school will re-open for groups of learners once again during the first week of September 2020.

The minister stated that the purpose of re-opening schools is to enable all pupils to:

CHECK IN

CATCH UP

PREPARE

The school will not return in the same fashion prior to initial closure on March 20th. The Minister has stated that there will be a 'phased return' approach with up to a third of all pupils being present on site at any one time. At Milford Haven School we will be working on quarters to allow for the capacity of the pupils accessing childcare arrangements.

The senior leadership team met last Thursday and again this morning and we have started to plan for the safe return of pupils in line with Welsh Government and Local Authority guidelines.

Please be patient with us as we await further information over the coming days, and rest assured you will be regularly updated over the coming weeks so that you are fully informed of the decisions of the Governing Body.

I would like to draw your attention to the following links to the Welsh Government website, which will provide you with useful information regarding the return to school.

I would like to thank you all for the outstanding way in which you have supported your children through remote learning and urge all pupils to continue in this way over the coming weeks. I would also like to pay tribute to the way in which you have supported my staff and the school during these challenging times.

As part of the planning process we are currently undertaking we will require our parents to complete a short survey. <https://forms.gle/rgvuQ4j2H1erubHE9>
