Steynton Road, Milford Haven SA73 1AE

Heol Steynton, Aberdaugleddau SA73 1AE

17.07.20

Dear Year 10 Candidate,

**RE: Level 1/2 Vocational Award in Construction and the Built Environment/Engineering/
Hospitality and Catering unit Awards & GCSE Drama & Entry level Science Results.**

Regarding the above **Vocational Awards** we recently shared with you an update from the Welsh Joint Education Committee (WJEC), the Board that oversees some of the Vocational Qualifications our school delivers. They said that they would be awarding **unit assessment grades** for the exams you were due to sit, where teachers believe they have sufficient information and evidence to make this judgment for the above Vocational Qualifications.

The results for these **Vocational Unit Awards** and the full **GCSE Drama and Entry Level Science results** will be released on the 20th August. Please read the following information and then complete this google form, stating your preferred option by **Tuesday 21st July**.

[Please complete this very important year 10 google form by Tuesday 21st July \(To be completed by the candidate\)](#)

However, following current Welsh Government guidance, the structure of the results day has had to be modified. We must limit and avoid any unnecessary contact.

Following current Welsh Government guidance the structure of the results day has had to be modified to meet the social distancing requirements and the safety of our community, learners and staff. We must limit and avoid any unnecessary contact and congregating. Safety procedures will be in place. Parents/carers will not be permitted to enter either the Thornton or Steynton Halls and must remain in the car park areas unless they have pre-arranged to collect a student's results (see below). Toilet facilities will not be available on site.

Year 10 candidates who are in **Daring and Defender Houses**, will be collecting their results from the Thornton Hall (back gate); those in **Dragon and Diamond Houses** will collect them from Steynton Hall (front gate). Please use the car parks closest to the hall you will be entering.

If you are unable to collect your results then there are **three** options. They can be **posted home** at the end of the day on Thursday or they can be **emailed to your school email address** only (no other email addresses will be used). A parent/carer can **collect your results on your behalf** providing they have a written letter with your permission and proof of identity of the parent/carer. The pupil **MUST** sign the letter. Any results not collected by 11.00 am on results day will be posted to the address we hold on our School MIS System. It will not be possible for candidates or parents/carers to move between the Steynton and Thornton Halls through the school site, for the safety of everyone.

Candidates may take photos outside the halls and away from the entry and exit points as long as social distancing is maintained and it does not cause any congestion. We would be delighted if you would share any of your own photos on our school Facebook page.

Details will follow closer to the time about how to access the careers service on and after the results day.

Following Welsh Government advice if there is a second spike or if a local or national lockdown is introduced then all results will be posted home.
