Dear Parent / Carer

Class Charts Parent Code and Guide

Please find enclosed your son/daughter's Class Charts code, along with a user guide to help you set your account up. In addition, a video guide will also be sent out via our social media platforms.

Your account will allow you to access live information about the daily learning stars/concerns that they pick up, as well as informing you specifically about detention times and other consequences that have been issued. I hope this will allow you to have positive conversations about how well your son/daughter is doing in school and will enable you to challenge and reinforce the high expectations we have for all pupils learning here at Milford Haven School. Your support in reinforcing these expectations is greatly appreciated.

Yours sincerely

Mr R Berry
Deputy Headteacher
