Dear Parent/Carer

RE: Year 11 Pupil Progress Event 2020

Pupil Progress Evenings are an important event in the school year, and provide you with an opportunity to discuss your child's current progress and achievements. As you are aware we are working in some very challenging circumstances as a result of the coronavirus restrictions this has meant we have had to make a change to how we organise our pupil progress evenings at present.

Although the current pandemic will prevent us from holding these evenings in the normal way, for now all face to face Pupil Progress Evenings are cancelled for this term, we would still like to offer you the opportunity to discuss your child's progress and check in with us.

We feel it is very important that you are able to have contact with our Strategic Leader for Key Stage 4 (Mrs Michelle Griffiths), as such we are offering all parents and carers the opportunity to book a slot for a telephone call from this member of our senior team. If you would like to book a slot to speak with Mrs Griffiths for a general update on how your child is progressing or for an opportunity to discuss any concerns you may have, please complete this form: <https://bit.ly/3nfls1O>

As well as this we will be launching a virtual Pupil Progress Event on our website for all Year 11 pupils on **Thursday 19th November 2020**. Here you will be able to find out what we are doing to support your children in their subjects, gain advice and strategies on what you can do at home to support your child's learning, and also find contact information to link in with subject teachers. On Thursday 19th November you will be able to email your child's class teacher with any subject specific questions or queries you have. Staff will respond to your emails that same day, during the allocated time slot of 3.30-6.30pm when we would have hosted our face to face event. Please look out for more details on this event to be shared over the coming days. In the meantime our usual methods of communication continue as normal, so please get in touch if you need any assistance.

Yours Faithfully,

Mrs M Griffiths
Strategic Leader KS4
