Dear Parent/Carer,

RE: Operation Endeavour

Milford Haven School has been given the opportunity to take part in a project, Operation Endeavour, that will run jointly between Pembrokeshire schools and Dyfed-Powys Police. It is a county wide initiative that offers great benefits to our young people, it aims to aid multi agency services to all work collaboratively and best protect and support our young people- your children.

Operation Endeavour is the sharing with schools, prior to the start of the next school day, of an incident involving a child or young person being reported as missing to police. Operation Endeavour will ensure that a member of the school staff, known as a Key Adult, is trained to use the information that has been shared with them about the missing incident to ensure that a child is adequately supported upon their return to school.

As always we are keen to offer the best support possible to all our pupils, and we believe this will be extremely beneficial for all those involved. Thank you for your continued support, and we are proud to embark on this project as an additional strand of the school and community working together to best serve our children.

Signed

CMorris
