

13th May 2021 / 13eg Mai 2021

Dear Parent/Carer,

As we are nearing the end of what has been a challenging year for your child, we would like to take this opportunity to outline plans for the next few weeks in which we hope to consolidate the CDG assessment period and take the opportunity to celebrate their time at Milford Haven School. To date, the year group has been an absolute credit to themselves in face of the challenges presented at a national level. They deserve the best send-off possible, within the constraints still in place nationally.

### Friday 28th May

In line with the completion of the CDG Assessments on Friday 28th May, **Friday 28th May will be the last compulsory day of lessons** for year 13 learners. In what has historically been an occasion for the year group to mark the end of their time in school, there will be a Leavers Afternoon Tea and celebration during lesson 4. To ensure that all learners can enjoy the event, in agreement with learners and the Director of Learning, the PE CDG assessment scheduled for lessons 3 and 4 has been brought forward to lessons 2 and 3. Year 13 learners are also permitted to wear their leavers hoodies on this day only, however we strongly advise all learners to ensure that the rest of their uniform is as normal.

### CDG assessments

Given that we are still awaiting guidance from Qualifications Wales, we will confirm the date and arrangements when the provisional GCSE, A levels and skills challenge certificate Centre Determined Grades will be shared with you before the half term holiday.

Headteacher / Prifathro: Ms C-A Morris

### Post-18 transition

All learners are reminded that avenues of support for post-18 transition are readily available should they be needed. Should learners need support with applications for UCAS, college or apprenticeships then they are strongly advised to contact their house tutor, Ms Dootson. Learners are also encouraged to keep following the Sixth Form Google Classroom, where we will continue to post any opportunities which may arise.

As this is likely to be my final contact with many of you, may I take this opportunity to thank you for the support that we have received over the last seven years. I am really proud of the way that many of our pupils have tackled this unique final stage and wish them the very best of luck in all that they do. I have certainly learnt a lot during this process and I would encourage each and every one of them to focus on what they have gained in this experience in terms of resilience and personal development, rather than the opportunities they feel they may have missed.

Yours sincerely,

*M Griffiths*
