Dear Parent/Carer

### The new SIMS Parent app – easy access to important school information

We have a convenient new way to share information with you about your child's school life. In the next few days you will receive an email invitation to access our new SIMS Parent app and website. You can access the system from a smartphone, tablet or PC – anytime, anywhere. You can start using this straight away, but **this will replace our current WEDUC app which we will cease communicating via from the 9th July 2021.**

What will you find in the SIMS Parent app:

- Important information such as attendance, behaviour and achievements
- School term, inset dates and contact details available at the click of a button
- Access your child's school report
- Receive notifications to remind you about important information such as key dates for your diary
- Access to allow you to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

Getting started with the SIMS Parent app

1. We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
