Wednesday 10th November

Dear Parent/Carer

RE: Children In Need Non-uniform Day Friday 19th November 2021

It has been agreed that Friday 19th November 2021 is to be a non-uniform day. Pupils are asked to contribute £1 for the privilege of wearing their own clothes, with all contributions going directly to support the Children In Need charity.

Although this will be a fun filled day of charity events we still have to abide by the Health and Safety rules in place. As such Pupils have been told that they should dress appropriately for the school environment, including:

- No high heeled shoes are allowed
- No earrings, jewellery, facial or body piercings
- No hair decorations

All Pupils are expected to be in school on this day. This own clothes day is fully optional and Pupils are welcome to wear their school uniform should they wish not to participate.

Pupils are also reminded that this will still be a normal school day, with timetabled lessons operating and all school equipment/ books etc are required to take part in classroom learning (including PE kit if applicable).

Pupils must be clear that all the school rules still apply on this day and we continue to have high expectations of pupil conduct, any negative behaviour will not be tolerated and sanctions will be issued. In addition this could also affect any decision made towards future non-uniform events.

We ask that you please reiterate to your child the importance of engaging positively and behaving well on this day, so these events can continue to take place again in the future.

In addition to this the prefect team will also be hosting a number of other fundraising events throughout the week in support of Children In Need. The school has a proud tradition of raising money for this very worthy cause and we would greatly appreciate your support in whatever way you can. There is a timetable of events attached that will be taking place over the course of next week. In addition to the timetabled events there will also be a number of raffles and draws that will take place throughout the week. Please keep an eye out on social media for a link to the senior prefect team 'JustGiving' page, which will link directly to our fundraising for Children In Need.

Can we please extend a huge thank you in advance for all your support towards our fundraising aims, and we hope that the pupils all enjoy the special fundraising activities planned for next week.

Diolch yn fawr.
Yours faithfully

C A Morris
