

Dear Parent/Guardian,

We are pleased to inform you that at the end of this academic school year we are able to host exciting rewards for the MHS student body. School trips will be available on Thursday July 14th 2022. The venues for the trips are as follows:

- Folly Farm
- Heatherton
- Oakwood

We are also planning an MHS School Fest for the final day of the school term on Friday July 15th 2022. This will involve all manner of different fun activities and food stalls to entertain pupils on the last day of term.

Both the trips and festival are designed to reward the hard working and well behaved pupils at MHS and so will have a strict behaviour success criteria for pupils in order to be able to access these rewards.

After asking a selection of pupils and conferring with staff the following behaviour success criteria will be in place from Monday the **6th of June- Wednesday July 13th**:

- **Any number of fixed term exclusions-** Prohibited from trips and school festival
- **Any number of days in Revolving Door provision-** Prohibited from trips and school festival
- **One IER day-** panel decision
- **Two or more days in IER-** Prohibited from trips and school festival
- **If pupils receive -1~-14 negative points-** panel decision
- **If pupils receive more than -15 points-** Prohibited from trips and school school festival

Pupils who demonstrate poor behaviour that is not in line with this success criteria will **not be allowed** on the school trips or able to access the school festival and other arrangements will be made for them on these two days.

For the majority of the pupils, they just need to carry on with their excellent attitude towards learning and enjoy the end of term rewards. For a small minority of pupils this is a chance of a fresh start and an opportunity for them to demonstrate improved positive behaviour .

Further information about the trips and festival will come out closer to the time. Any questions about this or anything else please do not hesitate to contact us.
