Dear Parent/Carer / **Annwyl Riant/Gofalwr**

End of school year 2021/22

And so we end another year at MHS, and what a year it has been! I would like to take this time to thank pupils, parents/carers and our whole school community for your patience and support as we have adjusted after an unpredictable and challenging two years. While we faced many uncertainties at the beginning of this academic year, the easing of Covid-19 restrictions allowed us to welcome you all into the school once again to join us at many of our annual events such as our school production of 'Our House' and our annual Open Evening and we have been grateful for every minute we have managed to keep our amazing pupils in face to face teaching. It really has been wonderful to see our community united again and celebrating our young people.

We have reevaluated our plans for the start of the new school year. Monday September 5th will be our first INSET day, however we have reviewed arrangements for Tuesday 6th September and have now decided that only pupils in Year 7 and 11 and The Bay pupils will attend that day, with work for years 8 - 10 being published on their google classrooms. Pupils in Years 11 are to go directly to their house tutor classrooms for registration at 8.40 a.m. All pupils in Year 7 will assemble in the Steynton Hall for registration at 8.40 a.m.

With the long awaited arrival of Summer and the enjoyment of the school holidays, September seems a lifetime away, and yet we know that many of you will already be starting to get organised and thinking about school uniforms and supplies ready for when we return for the new academic year.

If you are a parent/carers of a Year 6 child please take the time to familiarise yourself with the school prospectus: <https://milfordhavenschool.co.uk/wp-content/uploads/2022/07/A4-School-Prospectus.pdf>

There is also a dedicated page on our website detailing our school uniform items and where they can be sourced:

If you are a Year 6 pupil getting ready to join us there is a transition page created just for you. It offers a host of information to help you prepare for September, including a virtual school tour and some letters written by current pupils sharing helpful tips for secondary school.
