School transport notice

Dear parent/ carer

It has been brought to the school's attention that the bus that travels to Hakin leaving from the Thornton Road entrance has been full on at least 2 occasions this week. I have contacted the local authority transport team to raise our concerns, as I am aware that a number of pupils have been left with no way of getting home. The school received the following response:

The bus is used as the town rider and currently we do not have any larger vehicles available. The pupils live under 3 miles from the school and there is a safe walking route, so we are under no obligation to provide transport. However there is also the 302 First Bus which picks up outside the school, if students from Hakin used this bus and the students from Fairways used the 318 there should be room for all students to travel.

Please can we ask that you speak to your son/ daughter over the weekend and inform them of the above change. This will ensure that none of our pupil's are left stranded with no way of getting home.

Yours Sincerely

Mr Rob Berry
Deputy Head teacher
