Dear Parent/ Carer | **Annwyl Riant/Gofalwr**

RE: Year 7 boys assembly from Milford Youth Matters and Oddballs

We are writing to you with exciting information on a Year 7 boys assembly being delivered by Milford Youth Matters and The Oddballs Foundation.

Dayle Gibby from Milford Youth Matters is delivering an assembly to Year 7 boys with the help from The Oddballs Foundation on Thursday 14th September. Milford Youth Matters will be discussing opportunities with pupils on how they can participate in community activities while also covering some basic hygiene needs that our pupils may have and answering any questions.

The Oddballs Foundation will also be visiting and have kindly offered to deliver one of their infamous talks to raise awareness about testicular cancer. The talk covers the facts of testicular cancer, identifying symptoms and signs, how to check yourself and more. For more information please visit: <https://theoddballsfoundation.com/pages/testicular-cancer-talks>

During this assembly each pupil will be offered a backpack deodorant for them to use in school along with an information leaflet.

Participation is completely optional, and if you feel like your child is not ready for or does not require the resources we are offering or would rather not attend the assembly please opt out please email Miss Crolla with your child's name by Wednesday 13th September. .
